

Cambridge Youth Soccer Sponsorship and Giving Opportunities

Cambridge Youth Soccer (CYS) is committed to ensuring that every child in Cambridge who wants to play soccer can afford to play!

CYS serves the entire Cambridge community – more than 1,000 kids from age 4 through 19 - and participants learn valuable life skills, have fun, and get in shape.

We need to raise \$20,000 to meet our program goals and you can help. Donate as an individual or as a business. Businesses receive unparalleled visibility across the entire community and surrounding towns. Demonstrate your commitment to the community by helping.
